TIME COMMITMENT

All Board Members are expected to attend at least four meetings during the year and serve as a liaison to at least one Committee. The Board meets once face-to-face and at least three times by video conference. The face-to-face meetings take place as follows:

- ASIS&T Annual Meeting: This is a two-day meeting for Members-at-Large and a 2.5 day meeting for the Executive Committee.

- Video Conferences are scheduled for at least two hours quarterly, with the mid-year call being of a strategic nature and therefore longer or, potentially, held over multiple days.

The video conference meetings take place in roughly February, May, and August (depending on the timing of the other meetings) and are 2-3 hours in duration depending on the agenda. Given the challenges of finding a time that can accommodate the time zones of an international Board, often these meetings take place very early in the morning or late in the evening for some participants.

Committee work will vary from committee to committee and year to year depending on the charge, but it is reasonable to anticipate at least 4 video conference meetings per year and a face-to-face meeting during the Annual Meeting for each committee. In addition, Members-at-Large serve as ambassadors for the association and may be asked to represent ASIS&T when they attend the meetings of other organizations. There often is considerable discussion carried on between Board meetings via the ASIS&T online platform. Occasionally, matters will come before the Board for vote in this format. Additional ad hoc assignments and roles may materialize in the course of Board service, but generally speaking, an ASIS&T Board Member-at-Large spends an average of about an hour a week on ASIS&T business over the course of a year outside of the scheduled meetings. Please see the [Board Liaison Job Description](#) for further detail as to the Liaison role.

FINANCIAL CONSIDERATIONS

ASIST Directors may request reimbursement of expenses related to attending meetings of the Board of Directors.

Expenses will be reimbursed on a sliding scale based on the distance traveled by the Board member to attend the meeting.

Distance Travelled	Reimbursement Cap
6000+ Miles	\$2,200
4,000 – 6,000 Miles	\$1,800
2,500 – 4,000 Miles	\$1,400
Up to 2,500 Miles	\$1,000

Eligible expenses include train / airfare, ground transportation, parking, up to 3 hotel room nights (variable by term start and end date—see below), and meals in transit.

Board members taking office after the Annual Meeting are not required to attend the Wednesday Board Meeting in person but may attend via video conference. They are not eligible to receive travel reimbursement as outlined above. However, if a new Director does attend the Board Meeting following the Annual Meeting, one night's hotel will be reimbursed.

Board members leaving office after the Annual Meeting are not required to attend the Wednesday meeting and may claim the reimbursement cap less one room night + taxes and fees (based on the prevailing rate at the conference hotel).
