The screenshot displays the ASIS&T member account dashboard. On the left is a dark blue sidebar with the ASIS&T logo at the top. Below the logo, it says "Logged in as ASIS&T Member - XYZ University Library" next to a profile picture. The sidebar contains a list of navigation links: Home (highlighted with a blue bar), My Info, My Billing Info, My Directory Listing(s), My Subscriptions, Digital Downloads, Events, Active Member Directory, Resources, and iConnect. The main content area has a dark blue header. Below the header, there's a section for "CURRENT BALANCE" showing "\$0.00". The main body of the page is titled "Welcome to your InfoHub" and contains a paragraph explaining the InfoHub's purpose. Below this is a list of "A few things you'll want to know about the system:" with four bullet points. At the bottom of the main content area, there's a video player titled "InfoHub Tour" with a play button, a "Watch later" button, and a "Share" button. The video player shows a preview of the ASIS&T website with the text "ASIS&T Annual Meeting" overlaid.

Welcome to your InfoHub

You will use the InfoHub to access all of your member information, renew your membership, join a Special Interest Group, register for a webinar or meeting, find other members, and much more. Below you can view a video tour of the InfoHub and learn more about how to use the platform, what functions are available to you, and how to make the most of your ASIS&T member experience. As always, if you have any questions don't hesitate to call us on +1-301-495-0900 or email us at membership@asis.org.

A few things you'll want to know about the system:

- **What's my Expiration Date?:** The ASIS&T membership year runs from July 1 - June 30 each year.
- **Stored Credit Card:** If you would like a stored credit card removed, just email us and we'll delete it.
- **JASIST Access:** Click on the "Resources" tab.
- **Chapters & SIGs:** In the My Info tab you will see the list of Chapters and SIGs of which you are currently a member. You can add additional SIGs or Chapters by clicking the tiny plus sign above the list. You'll then see a list of those groups of which you are not a member currently.

If you have any other questions or suggestions to improve the site, please let us know. While we are limited in what we can customize, we can always ask for improvements from our vendor.

Enjoy your tour!
