

THE VALUE OF AN ASIS&T INSTITUTIONAL MEMBERSHIP

Receive unparalleled benefits through the ASIS&T Institutional Membership Program. With three levels of memberships to meet your needs, the program provides members with opportunities and resources to enhance professional skills and elevate your influence.

Enjoy all the benefits of a professional membership, plus so much more:

-  **Extend your network.** Included Professional Memberships and PhD Student Memberships ensure your faculty and staff have access to a wealth of resources and cutting-edge insights.
-  **Unlock growth opportunities.** Need more memberships? No problem! Additional Professional Memberships are available for just \$140, and PhD Student Memberships for \$40. Expand your influence without breaking the bank.
-  **Nurture tomorrow's leaders.** Gift unlimited one-year memberships to your bachelor's and master's students, empowering them with the knowledge and resources they need to thrive.
-  **Spotlight academic excellence.** Secure a prominent place in the ASIS&T Academic Directory, showcasing your institution's commitment to advancing information science education.
-  **Hire the best talent.** Enjoy discounted rates on job postings at the ASIS&T Career Center, connecting you with top-tier professionals in the information science field.
-  **Stay ahead of the curve.** Receive the prestigious Journal of the Association for Information Science and Technology (JASIST) in both print and online formats. Immerse yourself in the latest research and stay at the forefront of information science developments.
