COMMITTEE TERMS OF REFERENCE

PROFESSIONAL DEVELOPMENT COMMITTEE (PDC)

COMMITTEE TYPE

Standing

PURPOSE / ROLE

- The role of the PDC is to develop a strategy to address the professional development and leadership needs of ASIS&T members.
- The committee is responsible for education and career development activities. The PDC aims to identify potential opportunities across sectors for professional development activities (e.g., webinar masterclasses; annual meeting tutorial sessions; media engagement) to generate revenue and provide professional development opportunities across sectors.
- The PDC will consult with or collaborate with other committees, especially the Research Engagement Committee, to ensure that they are not duplicating activities but are complementing one another. For example, mentorship opportunities may crossover between professional development and research activities. Research-related professional development activities (e.g., JASIST writing workshops; mentoring program) are situated under the Research Engagement Committee; however, there may be some areas of potential overlap where consultation will be necessary.

The Committee will identify potential nominees for the Cretsos Award, the Clarivate Analytics Doctoral Dissertation Proposal Scholarship, the Outstanding Information Science Teacher Award, the Pratt Severn Best Student Research Paper Award and the ProQuest Doctoral Dissertation Award and solicit nominations for the Awards.

COMPOSITION

- The membership of the PDC is comprised of a Chair, a Vice Chair, and the Chairs of each Subcommittee.
- The President will assign a Board Liaison to the Committee each year (see the Liaison Job Description for more information on this role.)
- The Executive Director will serve as the staff liaison to the Committee. A number of subcommittees (each with a Chair and up to 5 members) work in parallel under the PDC, to guide the implementation of particular strategic initiatives.

These sub-committees will also liaise with other ASIS&T committees, as needed. Subcommittees will include, but are not limited to:

- **New Leaders Subcommittee** to govern recruitment of new leaders and manage mentoring activities for that program;
- **Mentoring Subcommittee**;
- **Leadership Subcommittee**;
- The member term will be for two years with the option to renew for another two years (i.e., to a maximum of four years of consecutive service).
- The Vice-Chair may be selected from sitting committee members, in which case the committee member would be replaced for the remainder of their term. Committee members appointed to complete the term of a Chair are eligible to continue with a full 2-year term appointment as Chair following on the replacement term.

ACCOUNTABILITY

- The Chair is responsible for reporting on the timing of upcoming meetings and activities of the group with the Board Liaison on a regular basis.
- The Chairs of each Subcommittee working in parallel under the PDC are responsible for reporting to their own Subcommittee members on the activities of the PDC, specifically those activities in need of action and decision making.
- The Chairs of Subcommittees associated with the PDC will liaise with other ASIS&T committees when needed.

MEANS OF CONDUCTING WORK

- The Committee will meet at least quarterly, at least 4 weeks in advance of scheduled Board meetings, in order for the Committee to prepare a report for the Board.
- The Chair will communicate with the Board Liaison on a regular basis about the timing of meetings and report content. In addition, all committees will meet during the Annual Meeting; virtual attendance (e.g., by Skype) is encouraged to engage with members who cannot attend in person. Attendance at the Annual Meeting during the term of committee membership is highly recommended for all committee members.
- Chair will organize and chair meetings. Vice Chair will act as a Secretary to take the minutes and write the reports for the Boards.
- Topics for the agenda of meetings will be prepared by the Chair.
- The agenda and meeting notes will be circulated by the Vice Chair to members of the Committee as directed by the Chair.
- Meetings will include a variety of means of engagement.

COMMUNICATION AND RESOURCE SHARING

- The PDC will use the ASIS&T Community platform to conduct committee business and to communicate among committee members. ASIS&T staff will ensure that all documents housed on the community platform are organized in such a fashion as to provide adequate institutional knowledge to allow committee members to come up to speed on committee issues quickly. Committee members are expected to familiarize themselves with the committee’s purpose and charge, as well as background materials housed on the platform.

- Confidential materials and/or copyrighted materials will not be shared via the ASIS&T Community platform.
- If Association documents that the Committee needs to use contain information not intended for wider sharing within the Association, this information will be redacted by Vice-Chair before it is made available to Committee members.

SELF-EVALUATION

- Each year (prior to the Annual Meeting), the Chair of the PDC will lead members in a review of its relevance, the value of its work, and its terms of reference.

-

OTHER CONSIDERATIONS

- The PDC will demonstrate the values outlined in the ASIS&T Diversity Statement when administering the mentoring and New Leaders Programs and in all of its deliberations. The statement is as follows:

The ASIS&T community is committed to the values of diversity and inclusion, which we believe support our efforts to achieve and sustain excellence in the information science and technology field. We strive for diversity in all its forms, including but not limited to age, race and ethnicity, gender, sexual orientation, religion, disability, geographic location, socioeconomic status, or education level. We believe that we can best promote excellence by engaging diverse group members and other stakeholders and providing opportunities at all levels of engagement for any individual or group that shares these values. ASIS&T leaders, volunteers, and staff will strive to keep diversity and inclusion at the forefront of all program planning and development efforts in order to ensure the most welcoming and engaging environment possible for our stakeholders.
